

Jazz Brunch Fundraiser

Support Drug Free Marion County Inc.
August 9th, 2025, 12:30pm to 2:30pm

Our Mission

Drug Free Marion County Inc. is committed to creating a healthier, safer Marion County by 2030. We aim to prevent youth substance use, support families, and reduce overdoses and deaths from substance misuse.

Our Evidence-Based Programs

Strengthening Families Program (10-14 years old)

- Helps parents/caregivers learn nurturing skills that support their children
- Teaches effective discipline and guidance techniques
- Equips youth with stress and peer pressure coping skills
- Results in significantly lower rates of alcohol, tobacco, and marijuana use
- Leads to fewer conduct problems in school
- Improves parenting skills, including setting limits and building positive relationships

PreVenture

PreVenture is a prevention program for youth aged 12-18 that uses personality-focused interventions to promote mental health and reduce the risk of substance use. Workshops help students learn coping skills, set long-term goals, and channel personality traits toward success in all areas of life.

WISE: The Wellness Initiative for Senior Education

The WISE Program celebrates healthy aging and educates older adults on topics such as safe medication use, the aging process, effective communication with healthcare providers, and strategies for healthy lifestyle choices.

Join Us!

Your support at our Jazz Brunch Fundraiser will help us continue these vital programs and make a lasting impact on our community. Together, we can build a healthier, safer Marion County by 2030.
